KINDERING UPDATE

October 2020

Teacher Juan leads a Kindering Virtual Play Pass class while visiting his family.

Never a dull moment...

It has been several months since we were all together last, and we miss seeing you all in-person! Despite the challenges we have all faced, we’re so thankful for your flexibility and persistence as we work to help our kiddos continue to make progress in their developmental goals. Please know that we are here for you and will do our very best to support you and your family in any way that we can.

Kindering’s COVID-19 Response Update

Dear Kindering Families,

It has been far too long since we’ve been able to gather with you in-person. Since March 1, we have completed 30,000 tele-therapy and virtual evaluation sessions. We are continually thankful for your flexibility and persistance as we work with you over Zoom.

Our Return to Workplace task force has been developing a plan to get us safely back to in-person services. We are currently in Step ONE of this process and will move into Step TWO when community spread has reduced to numbers that meet public health guidelines.

What is Kindering’s Step ONE?

Step ONE allows us to see 5-10% of our kids who have the most delicate/critical care needs. Often we see these kids for only 1-2 visits in-person to address equipment needs or acute medical supports, and then return to providing families virtual services. If you have questions about your child qualifying for in-person services, be sure to talk with your provider or FRC.

What is Kindering’s Step TWO?

Step TWO will allow for an expansion of in-person services, but will still be optional for families who are approved. We will continue to encourage virtual visits and transition to a hybrid approach of these in-person sessions supplemented by virtual visits. Kindering’s return to in-person services and classes will be gradual across all fronts. We will keep you updated as we have more information and are able to move forward through this new landscape.

Parent Feedback

We want to know what’s working for you and what we can help improve. As always, let your therapist or FRC know what’s going well and what we can help you with. If you’d like to reach out, please use this button to submit your feedback.

2019-2020 Report Card

It’s been a busy year, and everything we do is to further our mission of embracing children of diverse abilities and their families. We’re happy to share our 2019-2020 Report Card.

Upcoming Events

Join us for virtual fun this fall in support of Kindering kiddos!

Support Kindering this Fall

Coming up: join us today, October 30th, at 11:30 a.m. for our annual Salute to Courage celebration, closing out our fall benefit. This year our event is virtual and will be streaming on our Youtube channel. Follow along for an update from Kindering CEO, Dr. Lisa Greewald, hear stories from Kindering families, and learn about the movement around the Americans with Disabilities Act from someone who was there: Lucy Lee Helm, Executive Vice President and Chief Partner Officer at Starbucks. You won’t want to miss this informative and inspiring morning!
