Dear Parents,

Below is a brief description of the forms you will receive prior to your child's evaluation appointment.

These are forms that either contain important information for you or require your signature. We request these forms be signed prior to the evaluation appointment. Please contact your Family Resource Coordinator (FRC) if you have any additional questions about the forms. (They were cc'd on your Evaluation Confirmation email.)

- **Portal Consent:** Gives us your consent to use the Kindering Family Portal for communication and service delivery, including messaging, video visits and document exchange.
- **Consent for Initial Eval**: Gives Kindering consent to perform the actual evaluation and explains the timeline that Kindering is required to follow for services.
- **Early Support for Infants and Toddlers (ESIT) ROI:** Gives Kindering permission to upload your child's reports to the secure statewide database.
- **Doctor Release of Information (ROI)**: Gives Kindering permission to gather records and reports from your child's doctor and lets Kindering send the doctor the evaluation report as well as the reports from future services.
- **Billing Authorization Form:** Provides the billing department with your insurance and gives permission to contact the insurance company for billing claims.
- **SOPAF(Systems of Payments and Fees):** Gives Kindering permission to bill insurance or Medicaid for your developmental and ongoing evaluations if you enter services. Kindering provides evaluations at no cost to your family. We are a nonprofit organization, so the ability to bill your insurance for our evaluations supports our overall organization as we provide services to families.
- **Informed Consent for In-Person and Virtual Services**: Explains Kindering's in-person and virtual therapy processes and allows us to provide services through these mediums as needed.
- **Emergency Contact** : Gives Kindering someone to contact in case of an emergency and allows Kindering staff to perform first aid and CPR should it be needed.
- **Public Health Survey:** Keeps track of demographics for funding purposes through Public Health.
- **Family Cost Participation (FCP) Brochure:** Answers frequently asked questions about the costs of Early Support services.
- **Parent Rights Handout**: Explains state regulations and laws around Early Support services as well as important terms used throughout the process. The brochure to this can be found in multiple languages here Publications Library | Washington State Department of Children, Youth, and Families
